

Peasehill House Hotel

Funeral tea menus

Peasehill house is an ideal location for a funeral tea. We have two rooms, one of which is a lounge bar where we can cater from 15 to 25 guests, the other being the restaurant (private to yourselves) where we can cater for up to 90 guests. Both rooms have bar facilities. The following menus are available but we can cater for any requirements which you may have.

There is the added advantage that we can arrange financial settlement with your funeral director, thus taking away any additional pressure at an already difficult time for you and your family.
